Carroll County
Board of Commissioners

COVID-19 Data Update
June 24, 2021

Data only

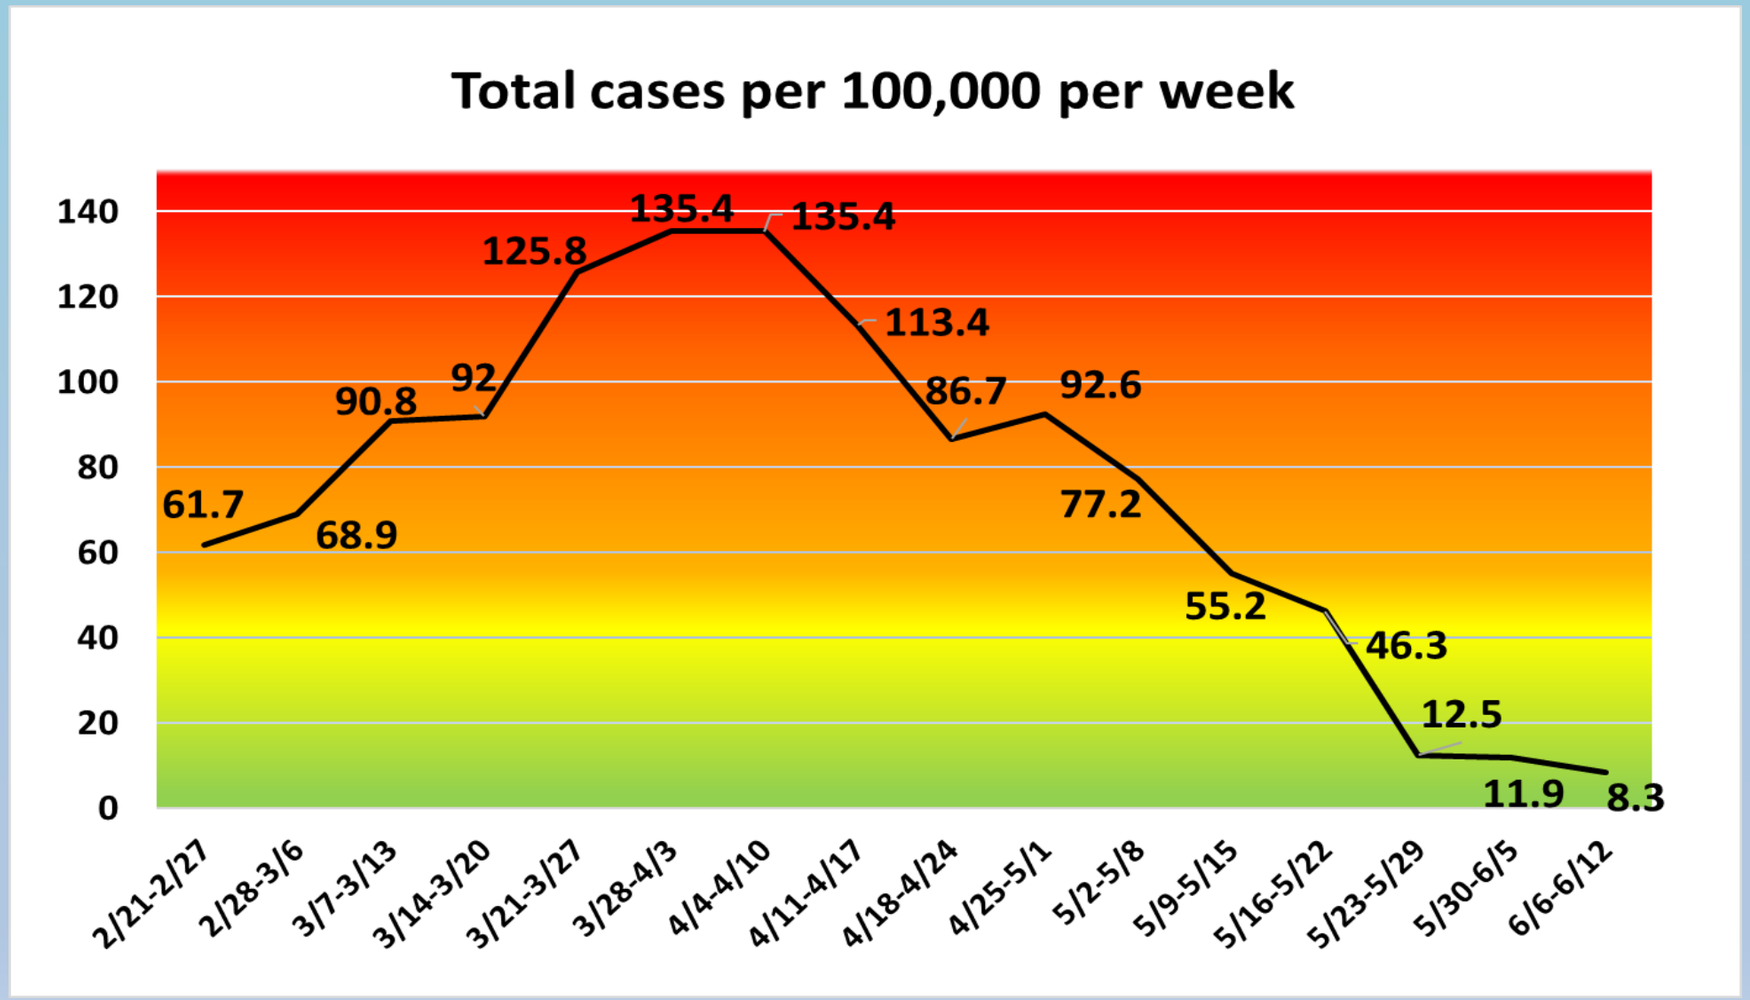
*Please note that this data is preliminary and subject to change.

Carroll County
Health Department

Public Health
Prevent. Promote. Protect.

Levels of community transmission as defined by the CDC:

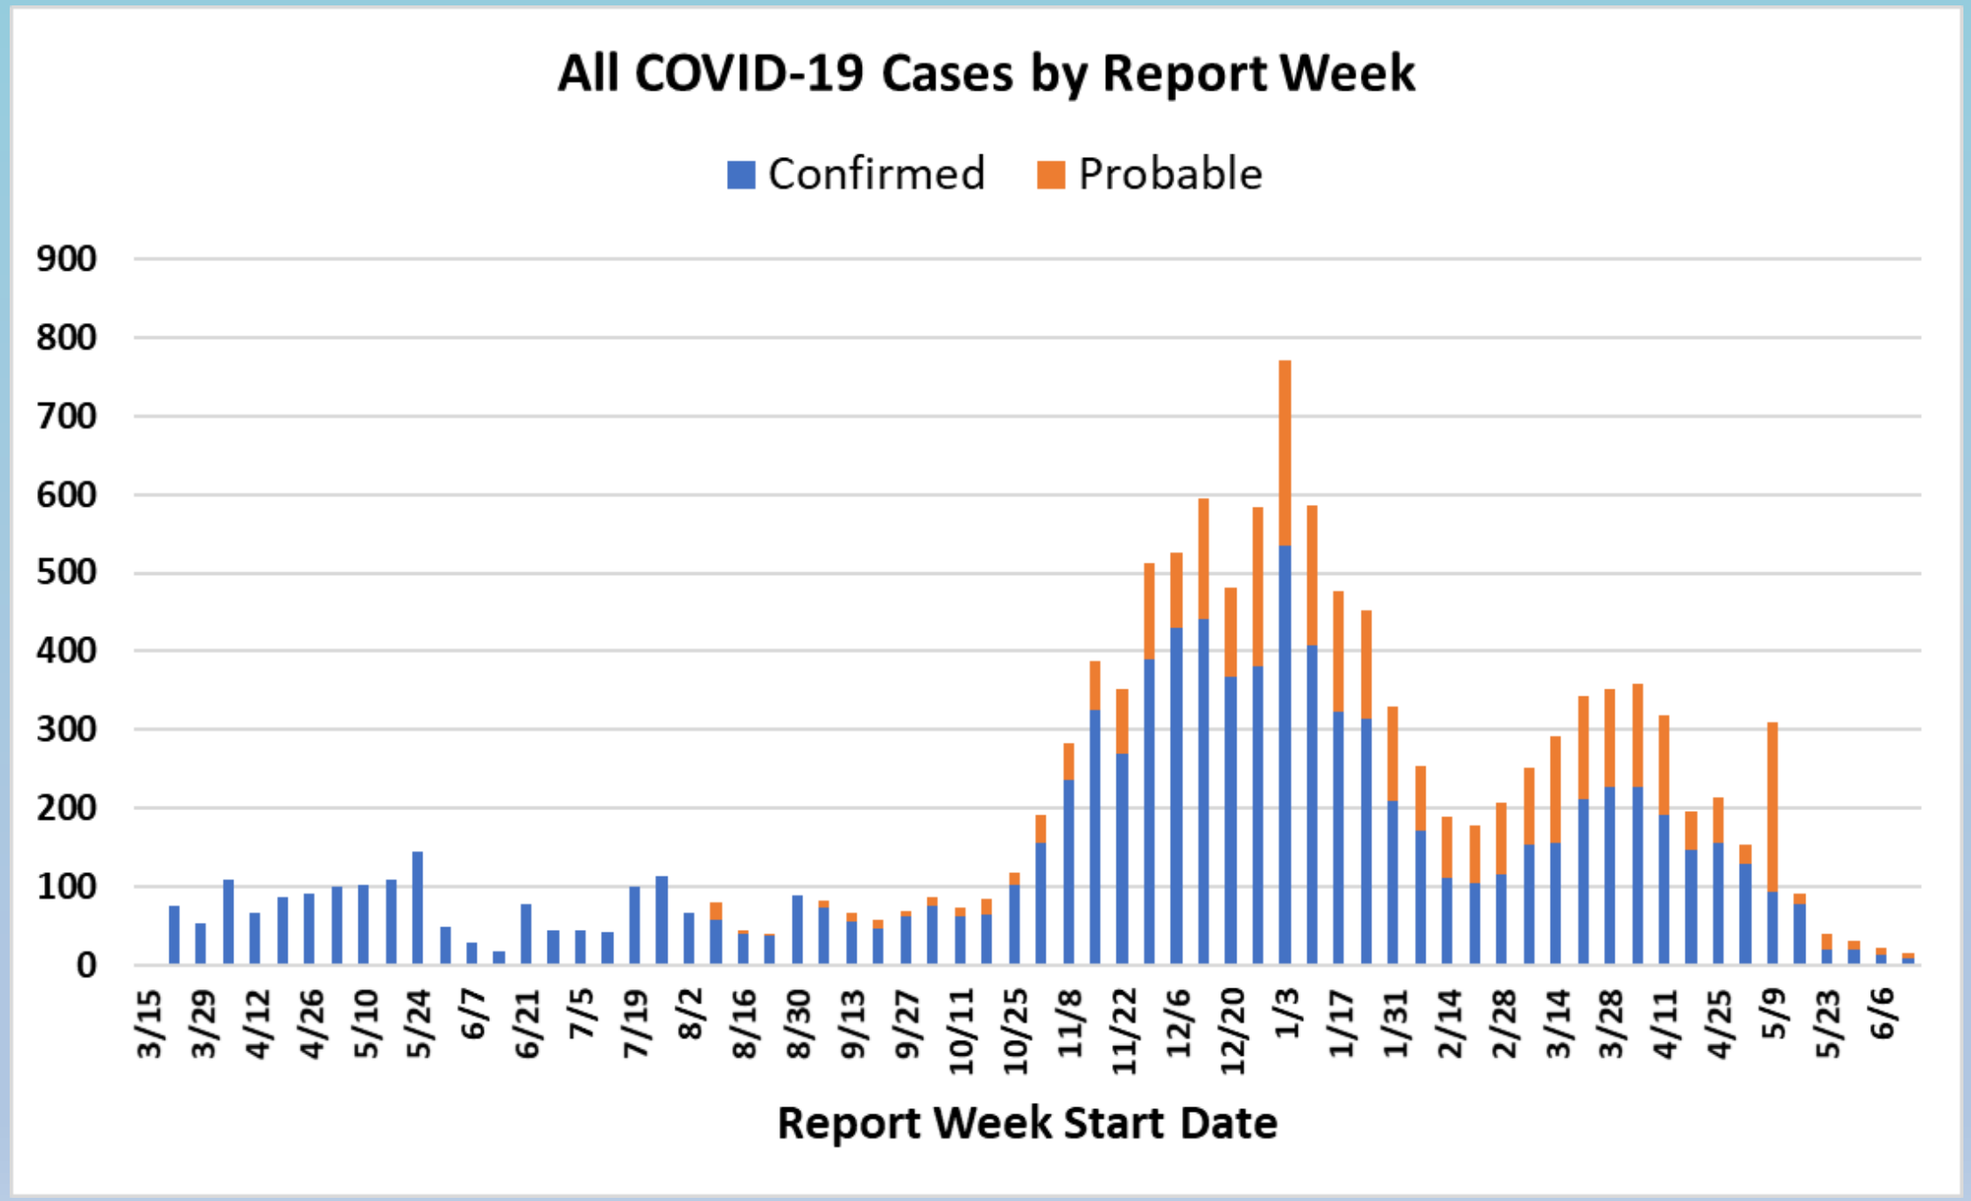
- Total new cases per 100,000 in past 7 days: low 0-9, moderate 10-49, substantial 50-99, high >= 100
- Percent positive tests in past 7 days: low <5%, moderate 5-7.9%, substantial 8-9.9%, high >=10%



Total new cases per 100,000 this week:
5.9, low

Positivity rate in Carroll County:
0.77%
Low
Down 0.13 from last week

Probable cases



- Probable cases are those who test positive with an antigen test, not a PCR test.
- Probable cases are not included in our confirmed case totals (PCR test only).
- Cases that are confirmed with PCR tests are removed from the probable totals.
- Week of 5/9 high due to lab submitting multiple weeks of past reports

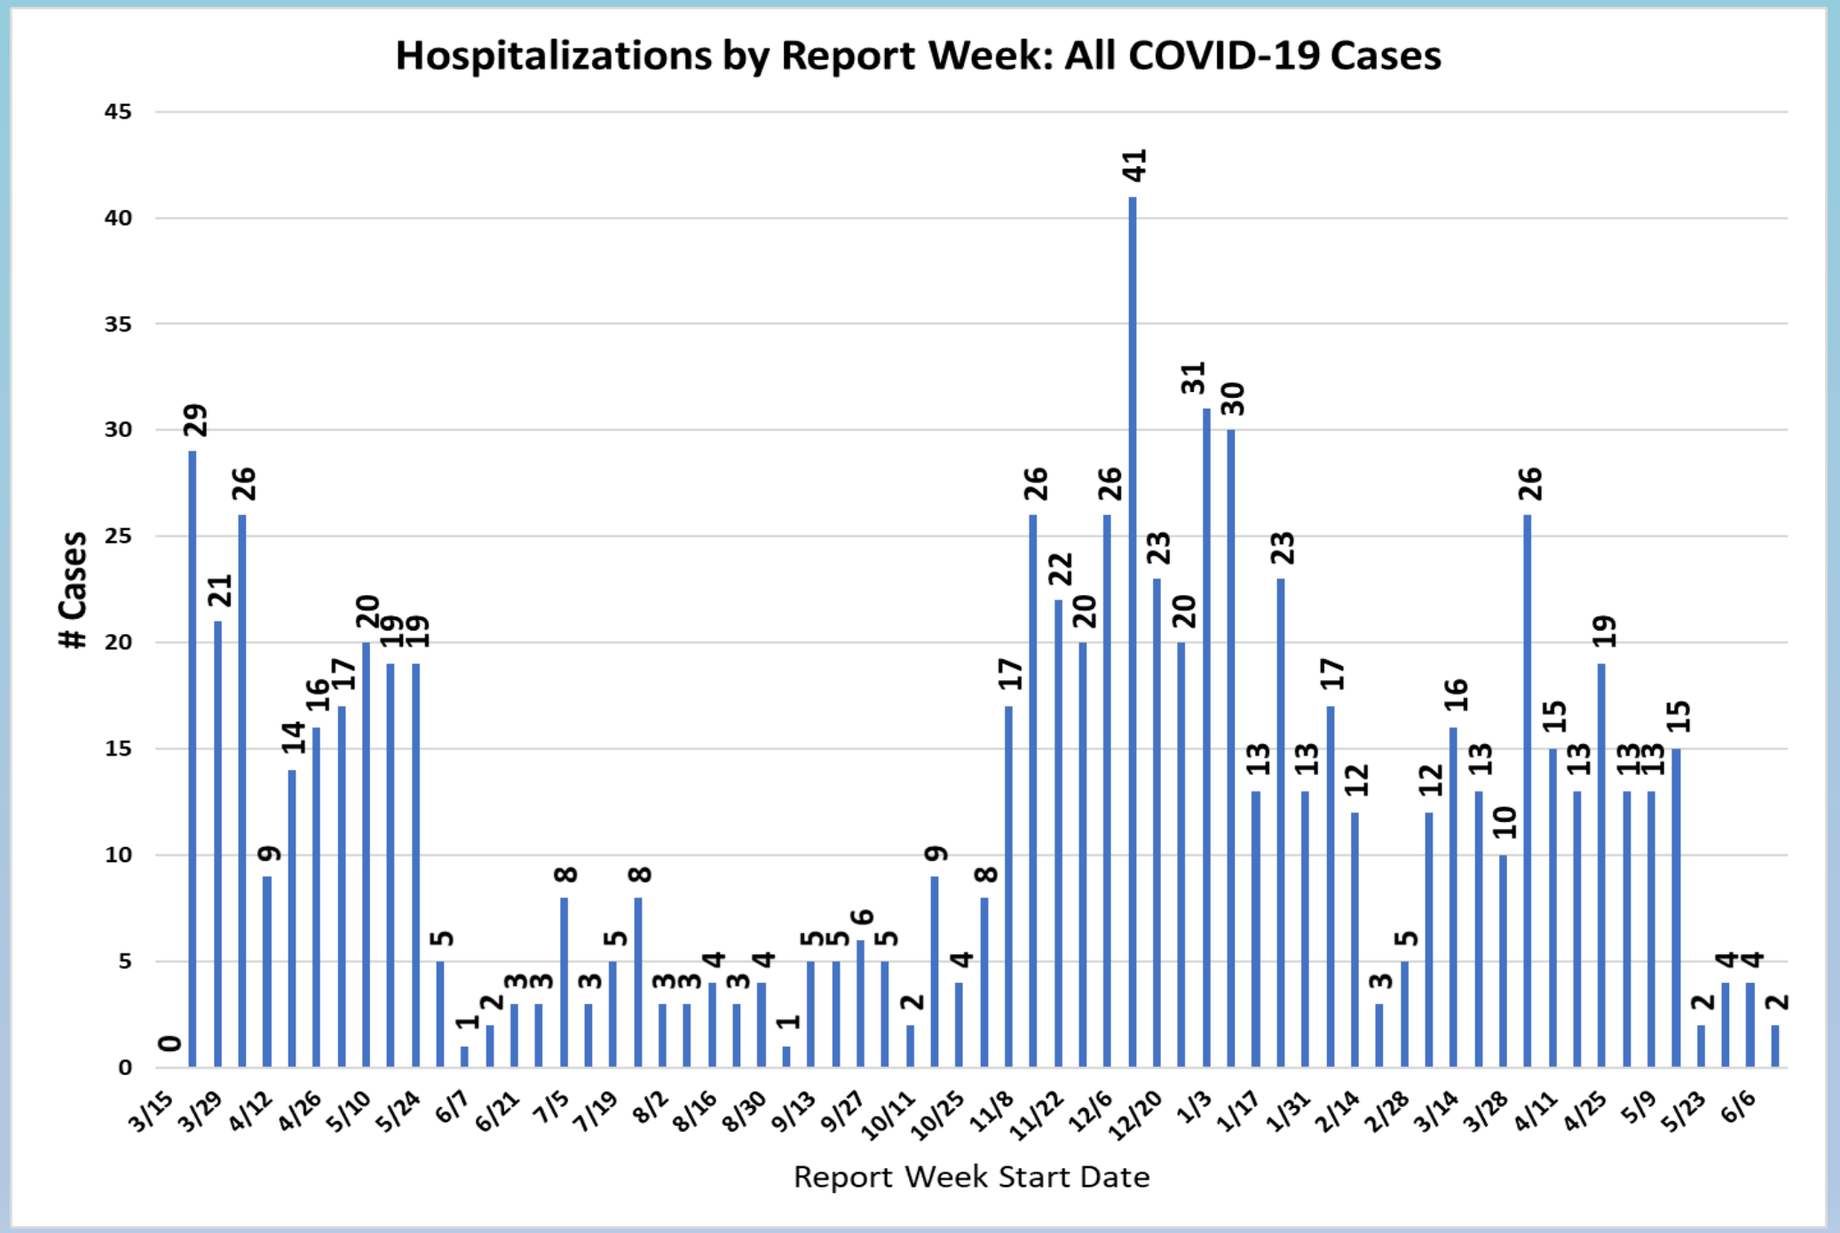
NEW CASE RATES - Community cases only



This graph shows hospitalizations by week for COVID positive Carroll County residents, in any hospital.

- Report week is the week their case was reported, which may not be the same week they were hospitalized. Only one hospitalization is noted per person.
- There is a slight data lag so recent numbers may increase.
- Additional hospital data can be found on our website: https://cchd.maryland.gov/carroll-county-md-cases/

Vaccination Clinics

Many clinics are now available at the TownMall of Westminster for first and second doses of Moderna.

All links are on our website. Walk-ins are welcome: https://cchd.maryland.gov/registration-links/

We will be moving our clinics to the Health Department starting the week of July 11th.

We are also planning to bring our mobile clinic to several events around the county, including the FFA and 4H Fair July 31st - August 6th.
