## *What is a Local Care Team?*

Carroll County uses a multi-agency approach to connect families to appropriate community-based resources and agency services. The referring agency, in conjunction with technical support from Local Care Team members, will monitor the cases and assist with the development of the Family Action Plan.

## *Who is the Local Care Team?*

The Local Care Team is composed of representatives of all the child-serving agencies in the county, along with parent advocates and representatives of community organizations and resources. The Local Care Team will convene on each case, as necessary, to assure progress is being made and to make additional recommendations.

## *To be eligible for assistance through the Local Care Team:*

- ◆ The family must live in Carroll County.
- ◆ The family must be struggling with multiple areas of need. For example: Substance Abuse, problems with school, peer and family conflict, escalating behavioral issues, accessing mental health services.
- ◆ In order to participate in a Local Care Team, the family needs to be willing to attend the meeting and participate in the development of the Family Action Plan. Support with implementation of the Family Action Plan is available upon request.

## *To refer a family to the Local Care Team:*

1. Contact the representative from your member agency or have the family call Get Connected Family Resource Center to speak with a Navigator at 410-871-0008, or LCT Coordinator 410-386-3615.
2. If eligible, an intake packet will be completed by the member agency.

Appointments are scheduled for the 1st and 3rd Tuesday of each month.

The Local Care Team meets at the Carroll Nonprofit Center located at 255 Clifton Boulevard, Westminster, MD 21157.
