

Respite Care Services

- ◆ Does your child have any of the following **DOCUMENTED** disabilities:
*developmental disability *behavioral disability *social disability *emotional disability
- ◆ Is your child under 21 years of age?
- ◆ Is your child enrolled in school (including post-secondary education), childcare, or has a paid care provider?
- ◆ Does your child reside in Carroll County?

If you answered YES to ALL of the questions listed above, then you MAY BE eligible for up to \$175 to assist with your child's camp registration fees or other respite care services expenses.

To obtain an application:

Email: maria.carr@maryland.gov

CCHD Website: <https://cchd.maryland.gov/> and download the application *OR*

Call: 410-876-4942 or 4949

Fax: 410-876-4959

Please mail, email, fax, OR drop off the following:

- ◆ **Completed Respite Care Services Application**
- ◆ **Supporting documents (i.e. copy of 504 Plan, IEP, letter from health care provider that includes diagnosis, etc.)**
- ◆ **COPY of the blank camp registration form for your child's intended camp. We DO NOT enroll or register your child for camp. This is your responsibility. Some examples of camps may include: Boys and Girls Club, YMCA, Carroll Community College, Therapeutic Riding, swim lessons, etc.**

**To: [Carroll County Health Department](#)
[Attention: Maria Carr, RN, BSN- Maternal Child Health/Nursing](#)
[290 South Center Street](#)
[Westminster, Maryland 21157](#)**

After your COMPLETED application documents are received, and IF you are approved, you will receive:

- ◆ **A letter of acceptance for respite care services**
- ◆ **A voucher for up to \$175 made *payable to and only* redeemable by the respite camp or respite care services provider**
- ◆ **If you choose to register and submit payment for camp or other respite care services prior to receiving your voucher, it is your responsibility to seek reimbursement from the camp or provider**

Funding for this project comes from the Carroll County Health Department Maternal Child Health Program through Grant #CH648C5N of the Office of Genetics and People with Special Health Care Needs
