Health Department Announces Limited Curbside Services

Westminster, MD (June 11, 2020) – The Carroll County Health Department announced the availability of limited curbside services starting Monday, June 15, 2020. Many other services are still being offered virtually.

Birth and death certificates will be issued daily from 8 am – 5 pm, by appointment only. Applications must be completed and emailed to cchdvital.records@maryland.gov or faxed to 410-876-4812. Applications can be found at <https://cchd.maryland.gov/community-services-birth/> and <https://cchd.maryland.gov/community-services-death/>

Customers must call 410-876-4442 to schedule a pick-up appointment at the Carroll County Health Department, at 290 South Center Street in Westminster. At the time of their appointment, customers will drive up to the front of the building, stay in their vehicle, and call 410-876-4442. Staff will take the certificate to the client. Fees should be paid by credit card over the phone if possible, or by cash or check at the time of the appointment.

Select Environmental Health services will also be offered curbside, including food service plans and permits, camp applications, plan development review, pool applications, well and septic permits, and rabies program services. Many documents can be submitted for review as PDFs by email to carrollcounty.environmental@maryland.gov including supporting documentation for plan or building permits, swimming pool applications, Bay Restoration Fund Grant paperwork, variance/deviation requests, and new construction documentation, but original versions of documents requiring signatures must also be mailed to the Health Department. Easement and disclosure documents can be signed by appropriate staff by curbside appointment. Call 410-876-1884 for more information or to schedule an appointment.

The Health Education program is offering car seat checks and Cribs for Kids by appointment only. Call 410-876-4984 for more information or to make an appointment.

The Local Behavioral Health Authority is also providing services. For assistance in locating a behavioral health provider in the community, please contact Service Coordination at 410-876-4449.

Peer Recovery Support services are continuing virtually; to access a Peer Specialist please email cchd.peersupport@maryland.gov or call 410-876-4449.

Naloxone refills are being provided curbside with limited hours. Please call 410-876-4449 for assistance or email cchd.servicecoordination@maryland.gov Please provide your name and a good phone number, and you will be contacted to coordinate pick up.

Carroll County residents may still call 410-876-2152 for information on Health Department other services being offered virtually, such as Non-Emergency Medical Assistance Transportation, health insurance assistance, and WIC. Plans are in development for reopening clinical services such as child vaccinations, reproductive health services, and dental services for children and pregnant woman.
