

2020-21 Flu Vaccine Availability at Carroll County Area Pharmacies and Clinics

Call your doctor to ask which flu vaccine is best for you and check availability. If you choose to go to a pharmacy or clinic, call ahead and ask: 1) Is the flu vaccine in stock, and what types of flu vaccine do you offer? 2) What ages are you able to vaccinate? 3) Do you accept my insurance? Can you bill my insurance (most can bill) or do I need to pay and get reimbursed? 4) What are your pharmacy/clinic hours?

Carroll County Flu Vaccination Resource Sheet

Getting a flu vaccine every year is the best way to protect yourself and your family from illness, missed work and school, and serious health problems related to the flu. CDC recommends that everyone 6 months and older get vaccinated. To find a flu vaccination, visit:

Your Provider's Office: Ask your primary care or pediatrician's office about getting the flu vaccination. Most offices have it available for their patients. Ask if your insurance will cover the vaccine and if there is a copay.

Access Carroll: Will begin administering flu vaccinations for their patients around October 1, 2020.

Carroll County Health Department (CCHD):

CCHD will partner with Carroll County Public Schools and the Maryland Partnership for Prevention to offer drive-through flu vaccination clinics for children 6 months through 18 years of age. The clinics will be held:

Wednesdays, October 21st and October 28th, 2020 from 3:00 pm – 6:00 pm at the following schools:

- Century High School
- Francis Scott Key High School
- Winter's Mill High School
- North Carroll Middle School
- North West Middle School
- Parr's Ridge Elementary School

Your child does not have to attend public school to attend one of these clinics. Face masks must be worn on school property. Students and parents/guardians who are ill should not come to a clinic. You must make an appointment by October 27th for the October 28th clinic. Complete the consent form online at <http://marylandvax.org/> or <http://vaccineconsent.com>. For more information, visit cchd.maryland.gov/flu or call 410-876-4949.

Carroll County Senior Centers: Drive-thru flu vaccination clinics offered by Finksburg Pharmacy for people age 9 and up. Quadrivalent (four strain) vaccine. Medicare Part B accepted; please bring your new Medicare card. If you have a Medicare Advantage Plan, bring your Part D insurance card for possible coverage. BlueCross CareFirst medical billing accepted. Private insurance accepted for prescription plans that cover flu vaccination. Uninsured/Not-Covered patients pay \$25.00. Payment by cash or check only.
