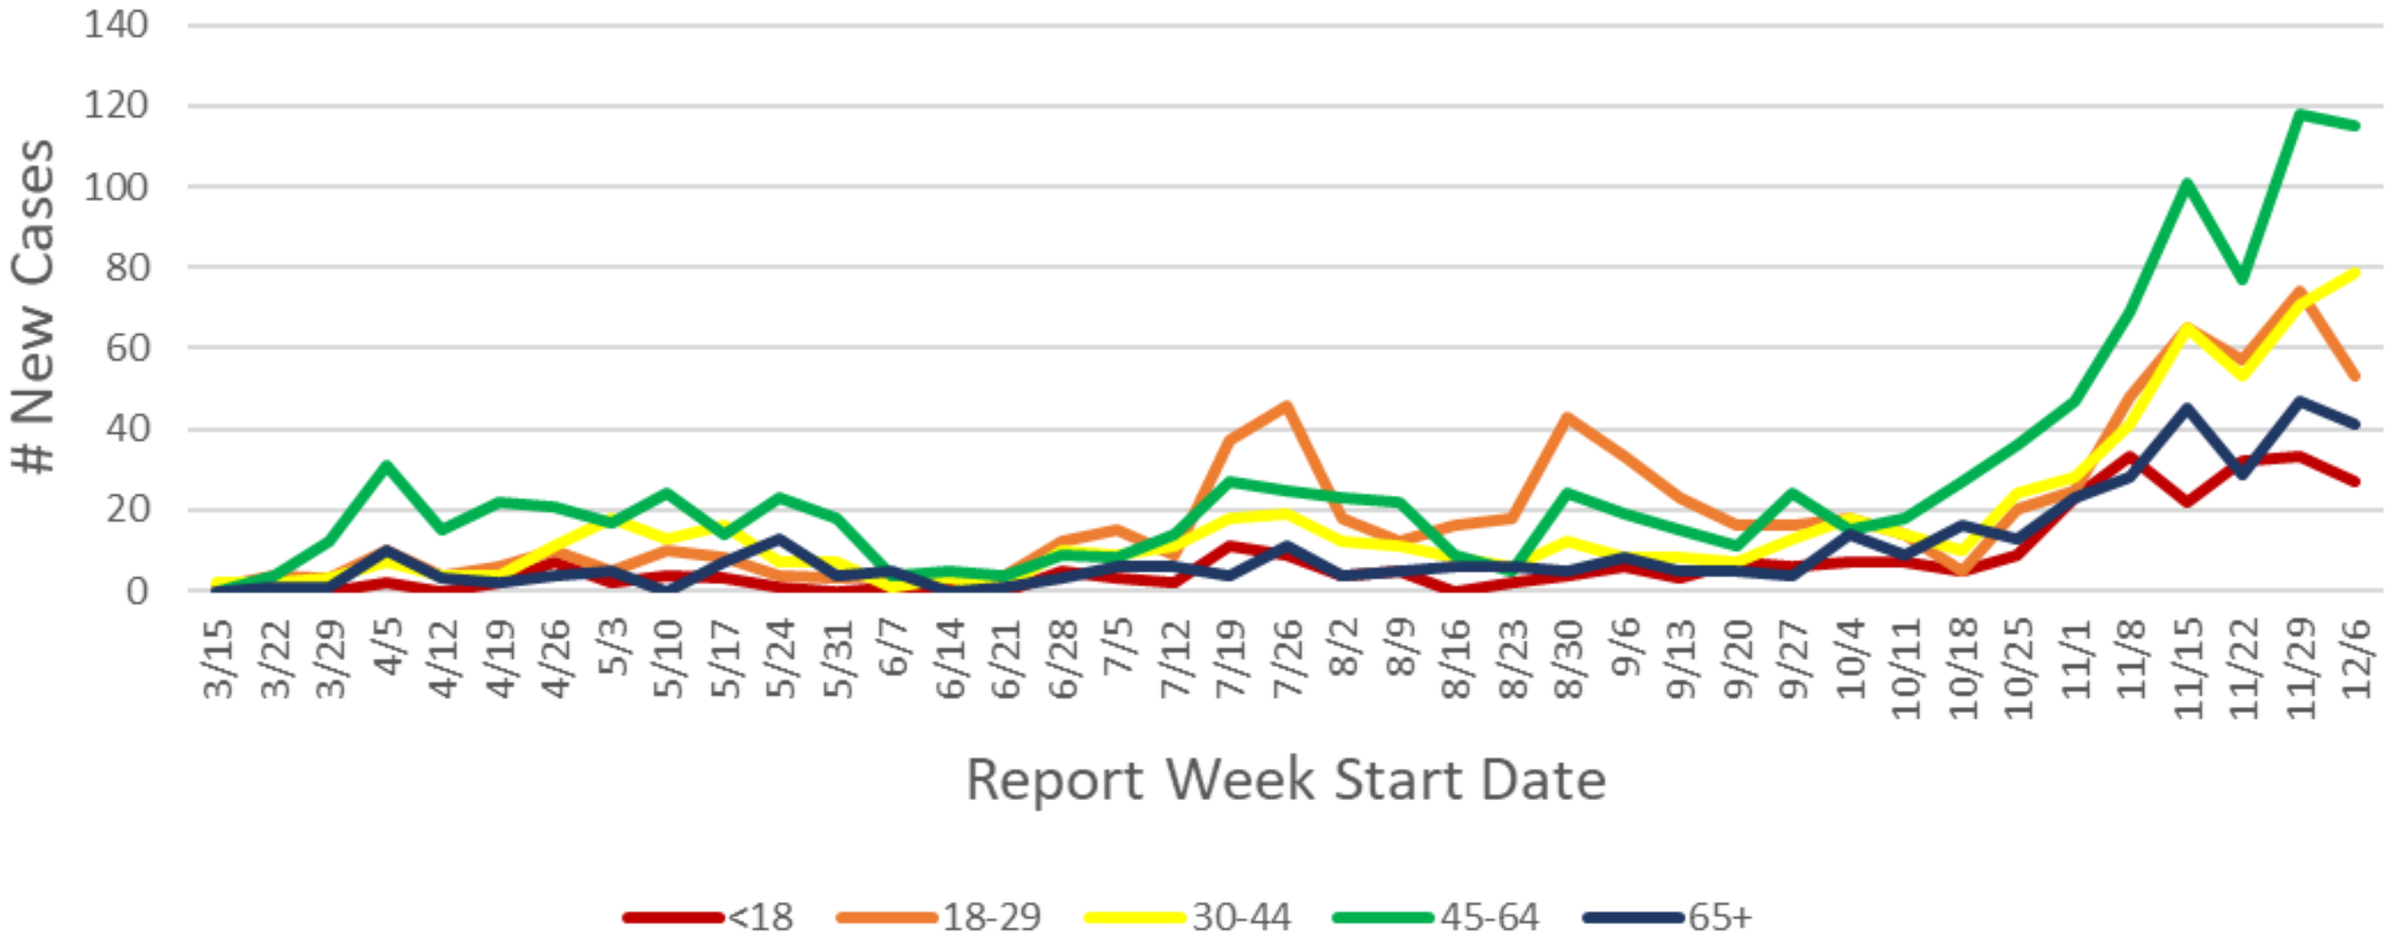
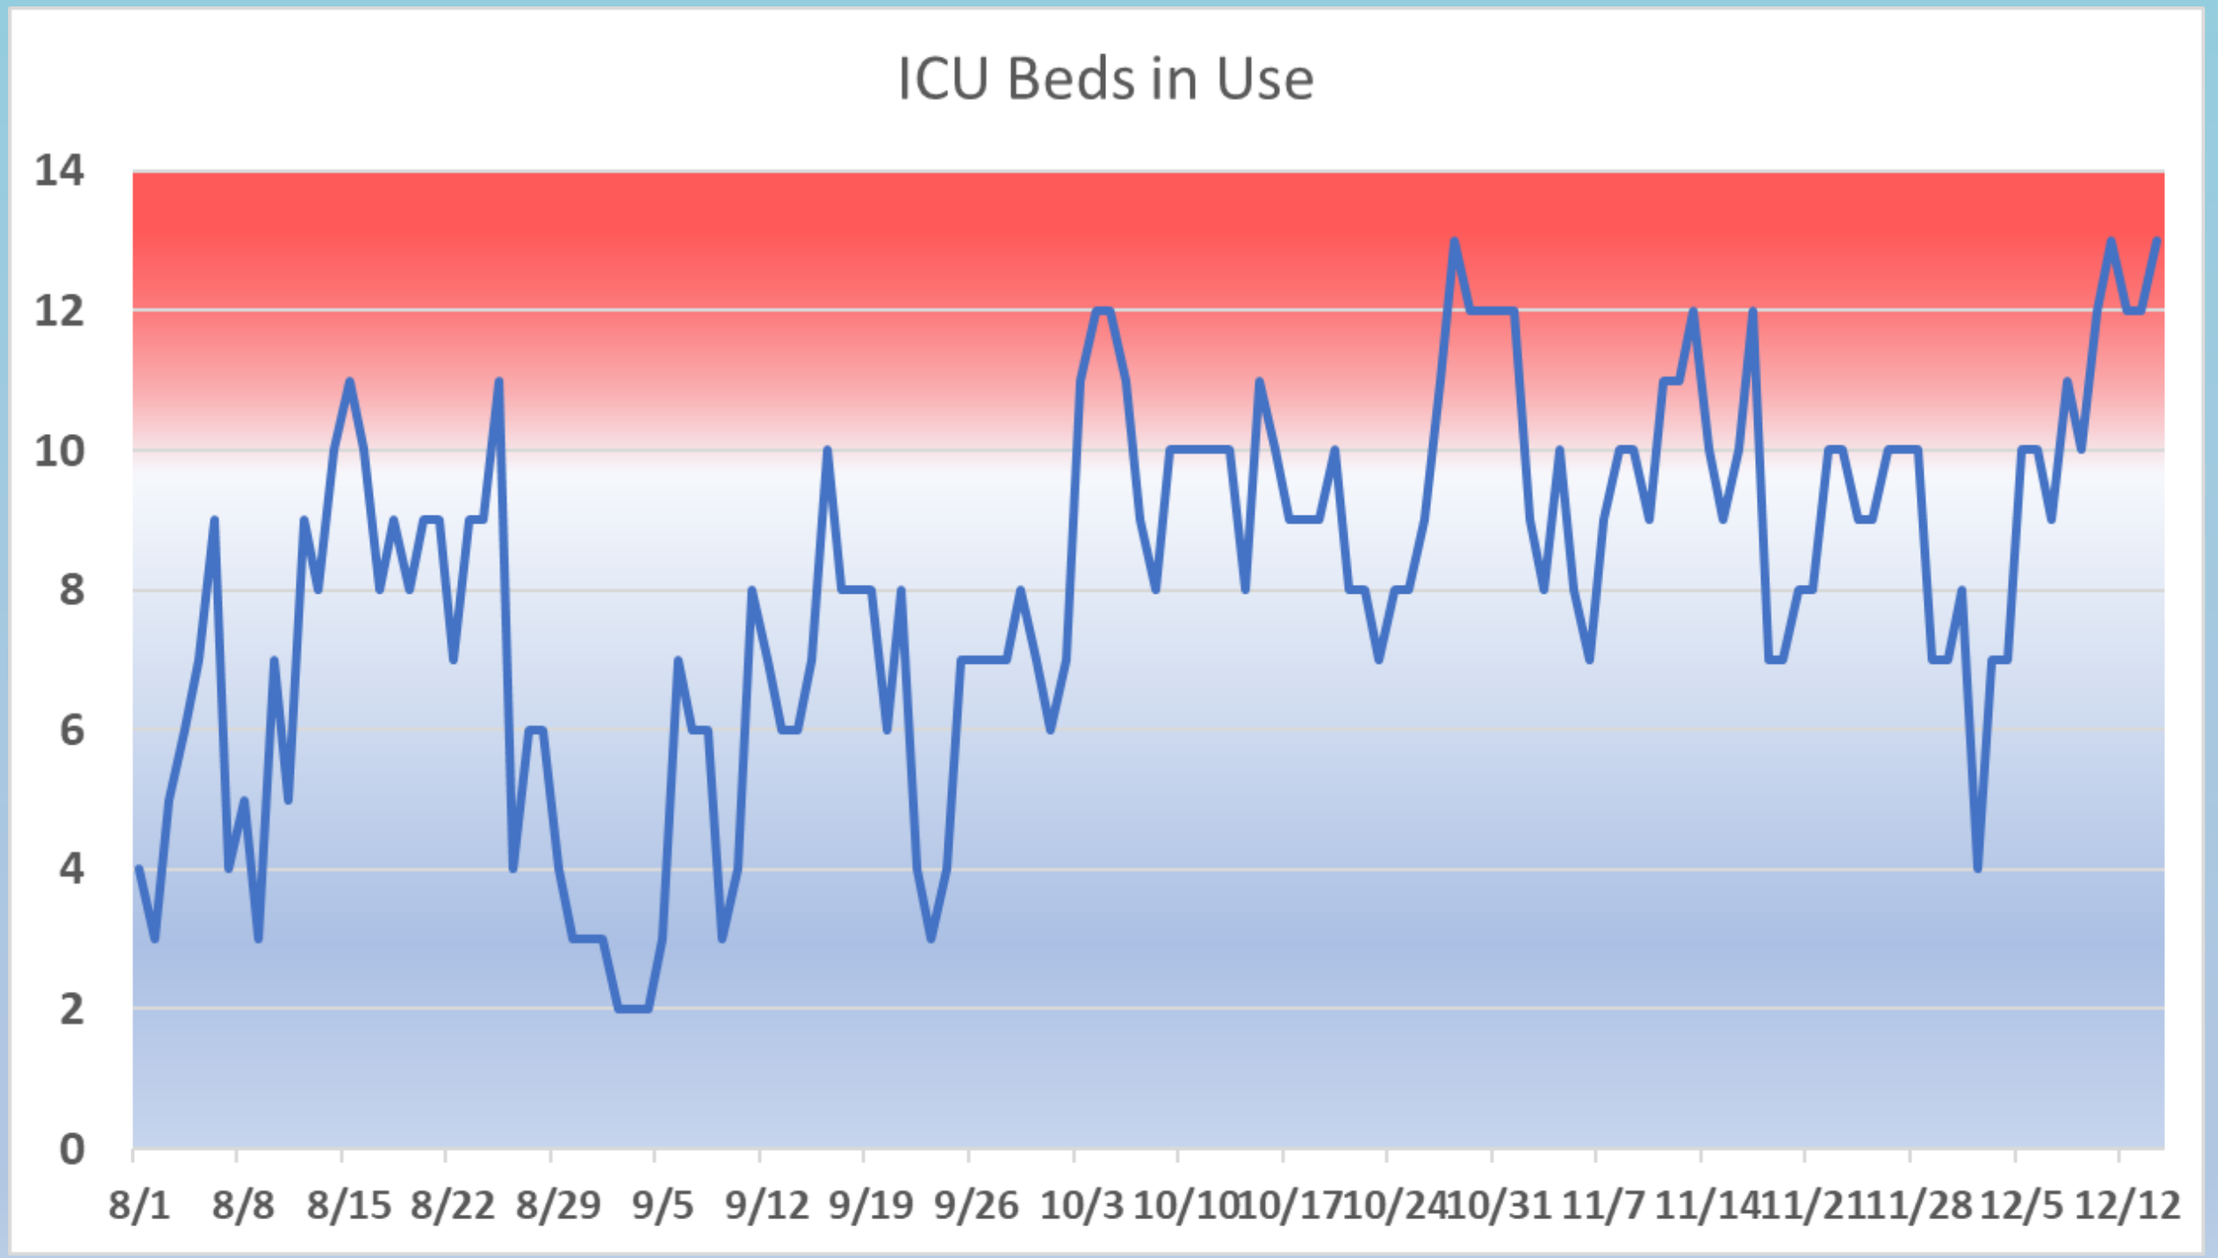
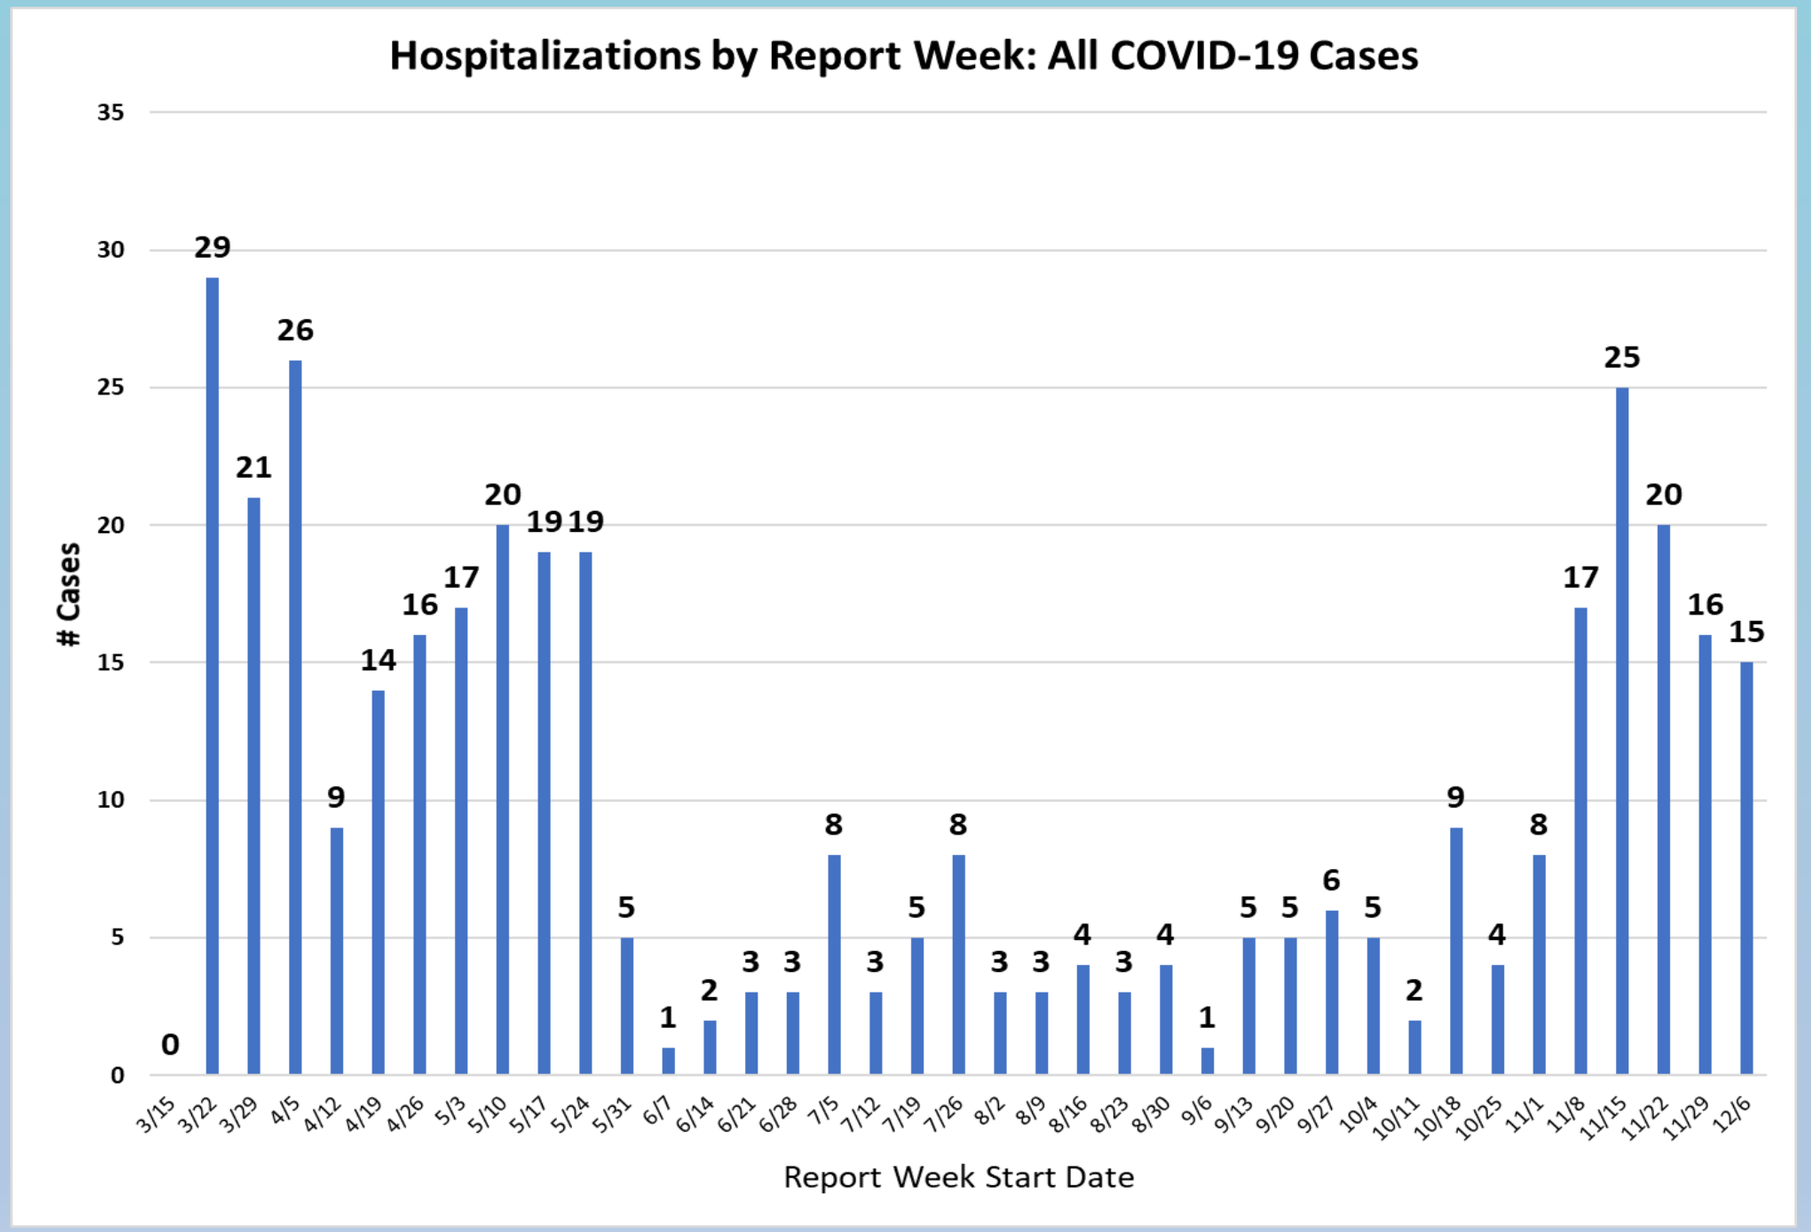
COVID Cases: Age Groups by Report Week



Carroll County Health Department

Public Health
Prevent. Promote. Protect.





This graph shows hospitalizations by week for COVID positive individuals in Carroll County, in any hospital.

Only one hospitalization is noted per person.

There is a slight data lag so recent numbers may increase.

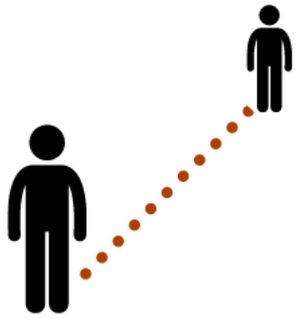
Moving Carroll Forward Together

Slow the Spread

The combination of all of these actions can help slow the spread of COVID-19.

Wear a mask around people outside your household



Keep your distance from people outside your household

Wash your hands often, for 20 seconds each time

Stay connected virtually

Plan outdoor activities, rather than indoor

Avoid gatherings without masks and distancing
