COVID-19 Data Update
December 31, 2020

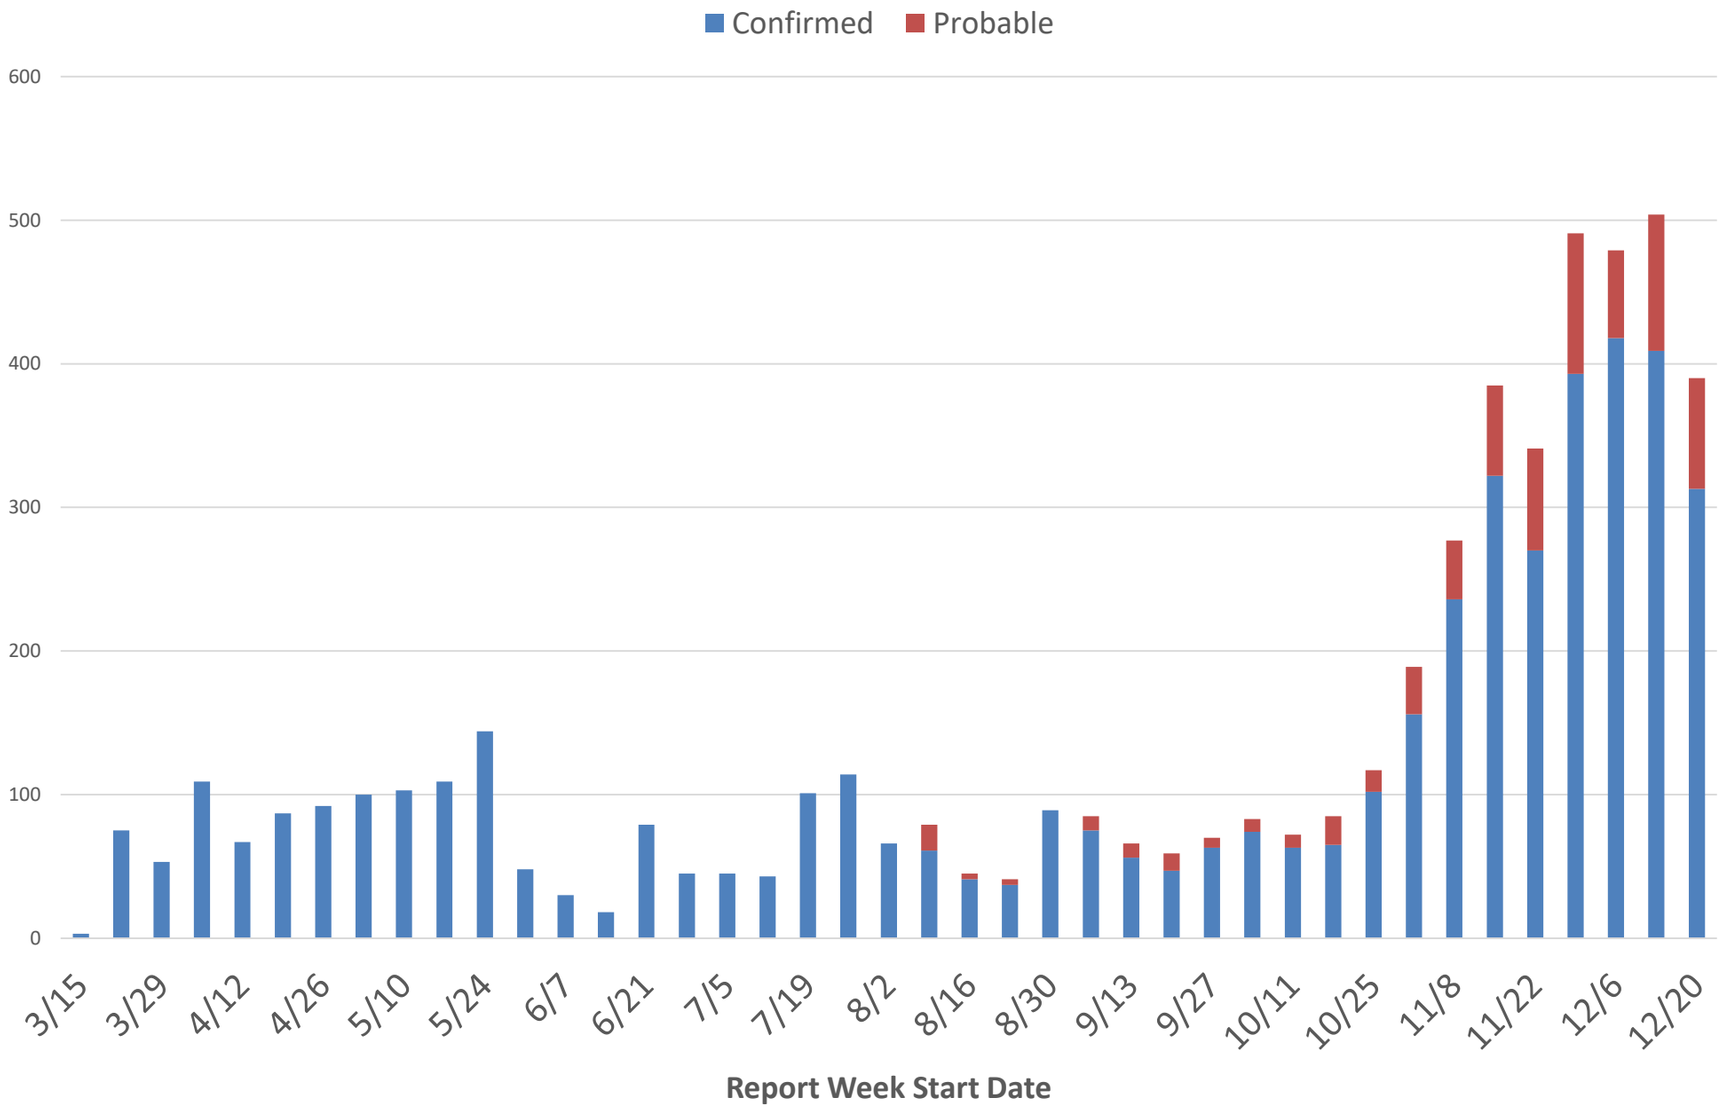
Ed Singer, L.E.H.S.
Carroll County Health Officer

Carroll County Health Department

Public Health
Prevent. Promote. Protect.

*Please note that this data is preliminary and subject to change.

All COVID-19 Cases by Report Week



Carroll County Health Department

Public Health
Prevent. Promote. Protect.

Please note: Lower case numbers this week may be due in part to testing site closures due to the holiday. The Health Department's testing site was closed 12/24 because the facility was not available for use.

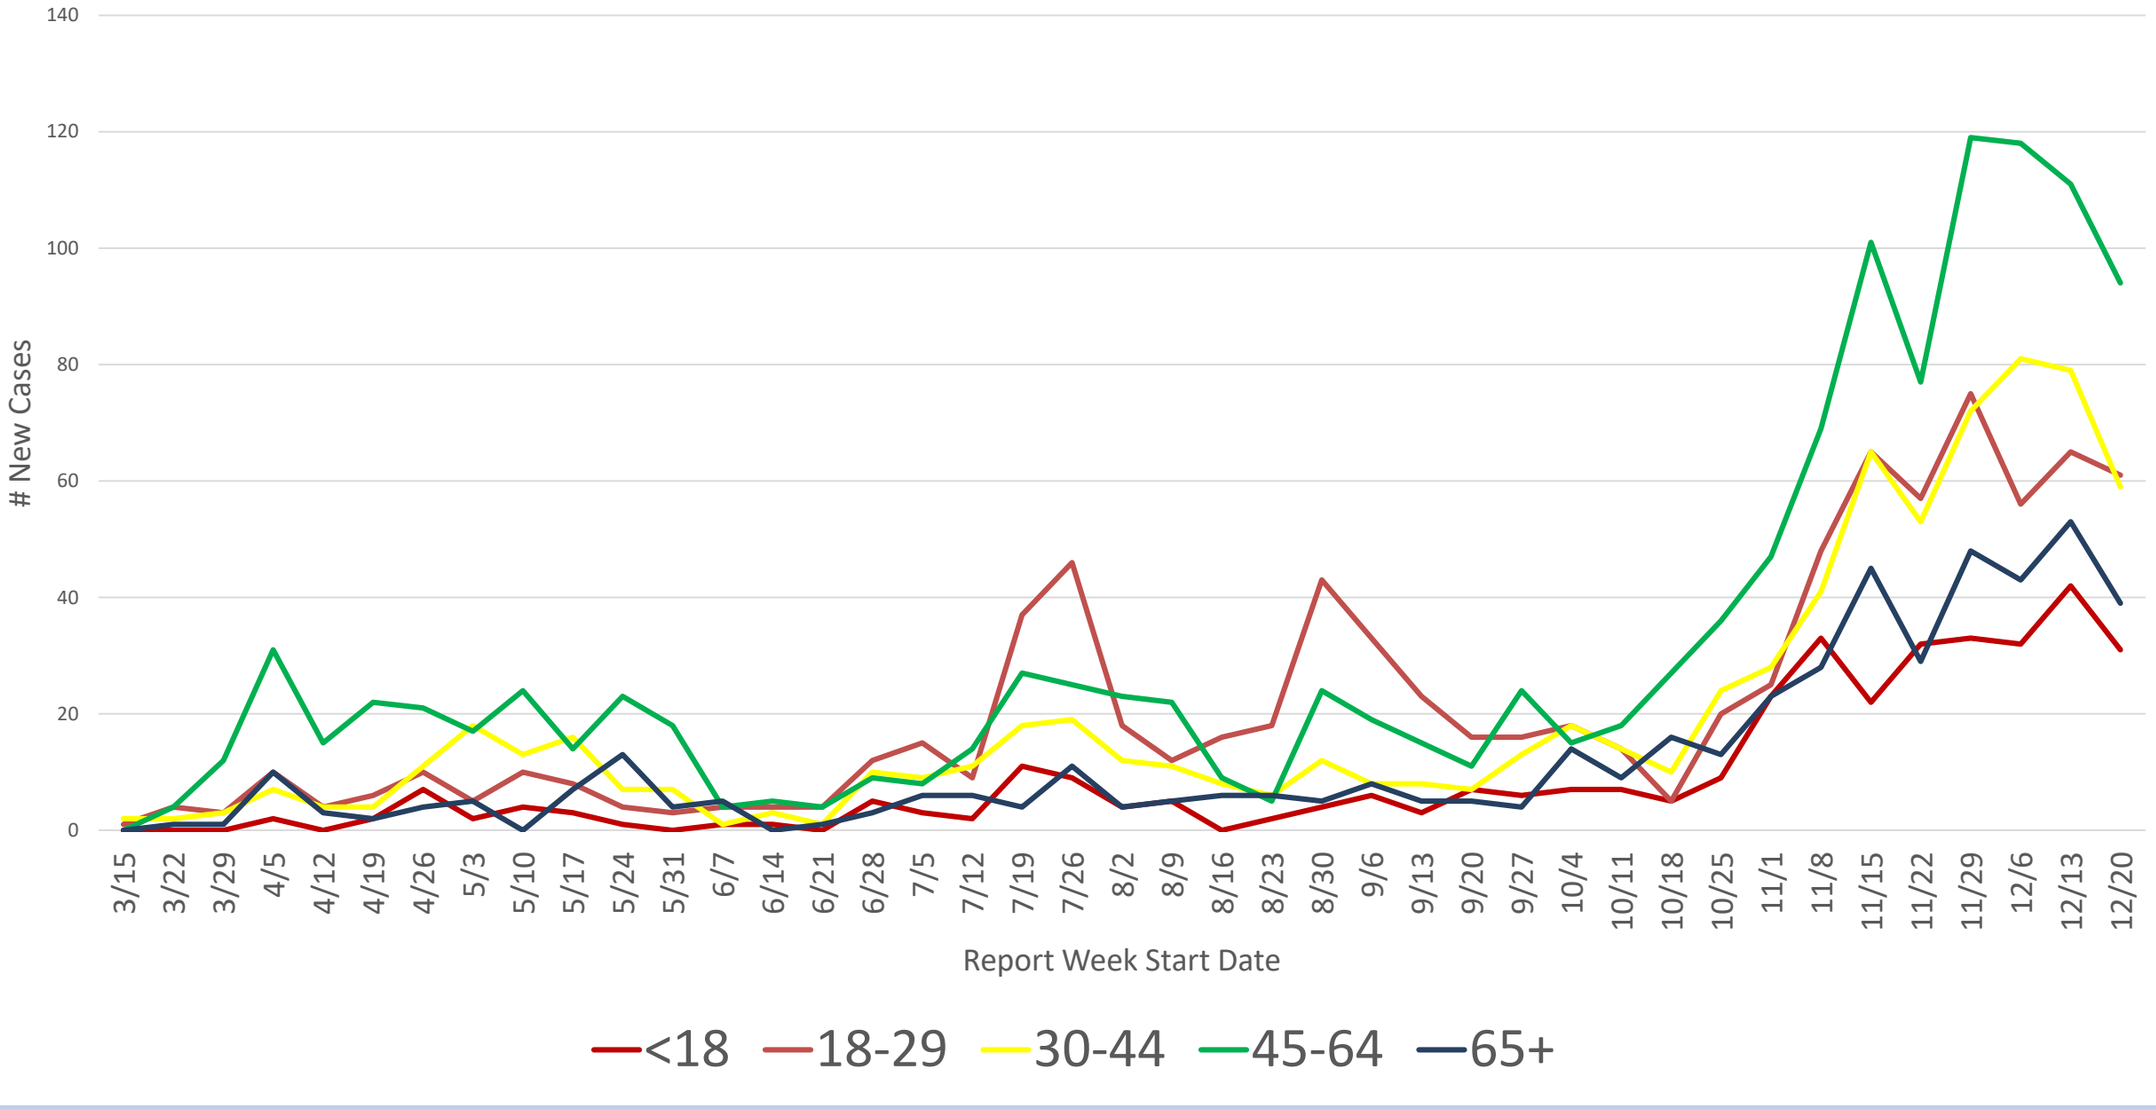
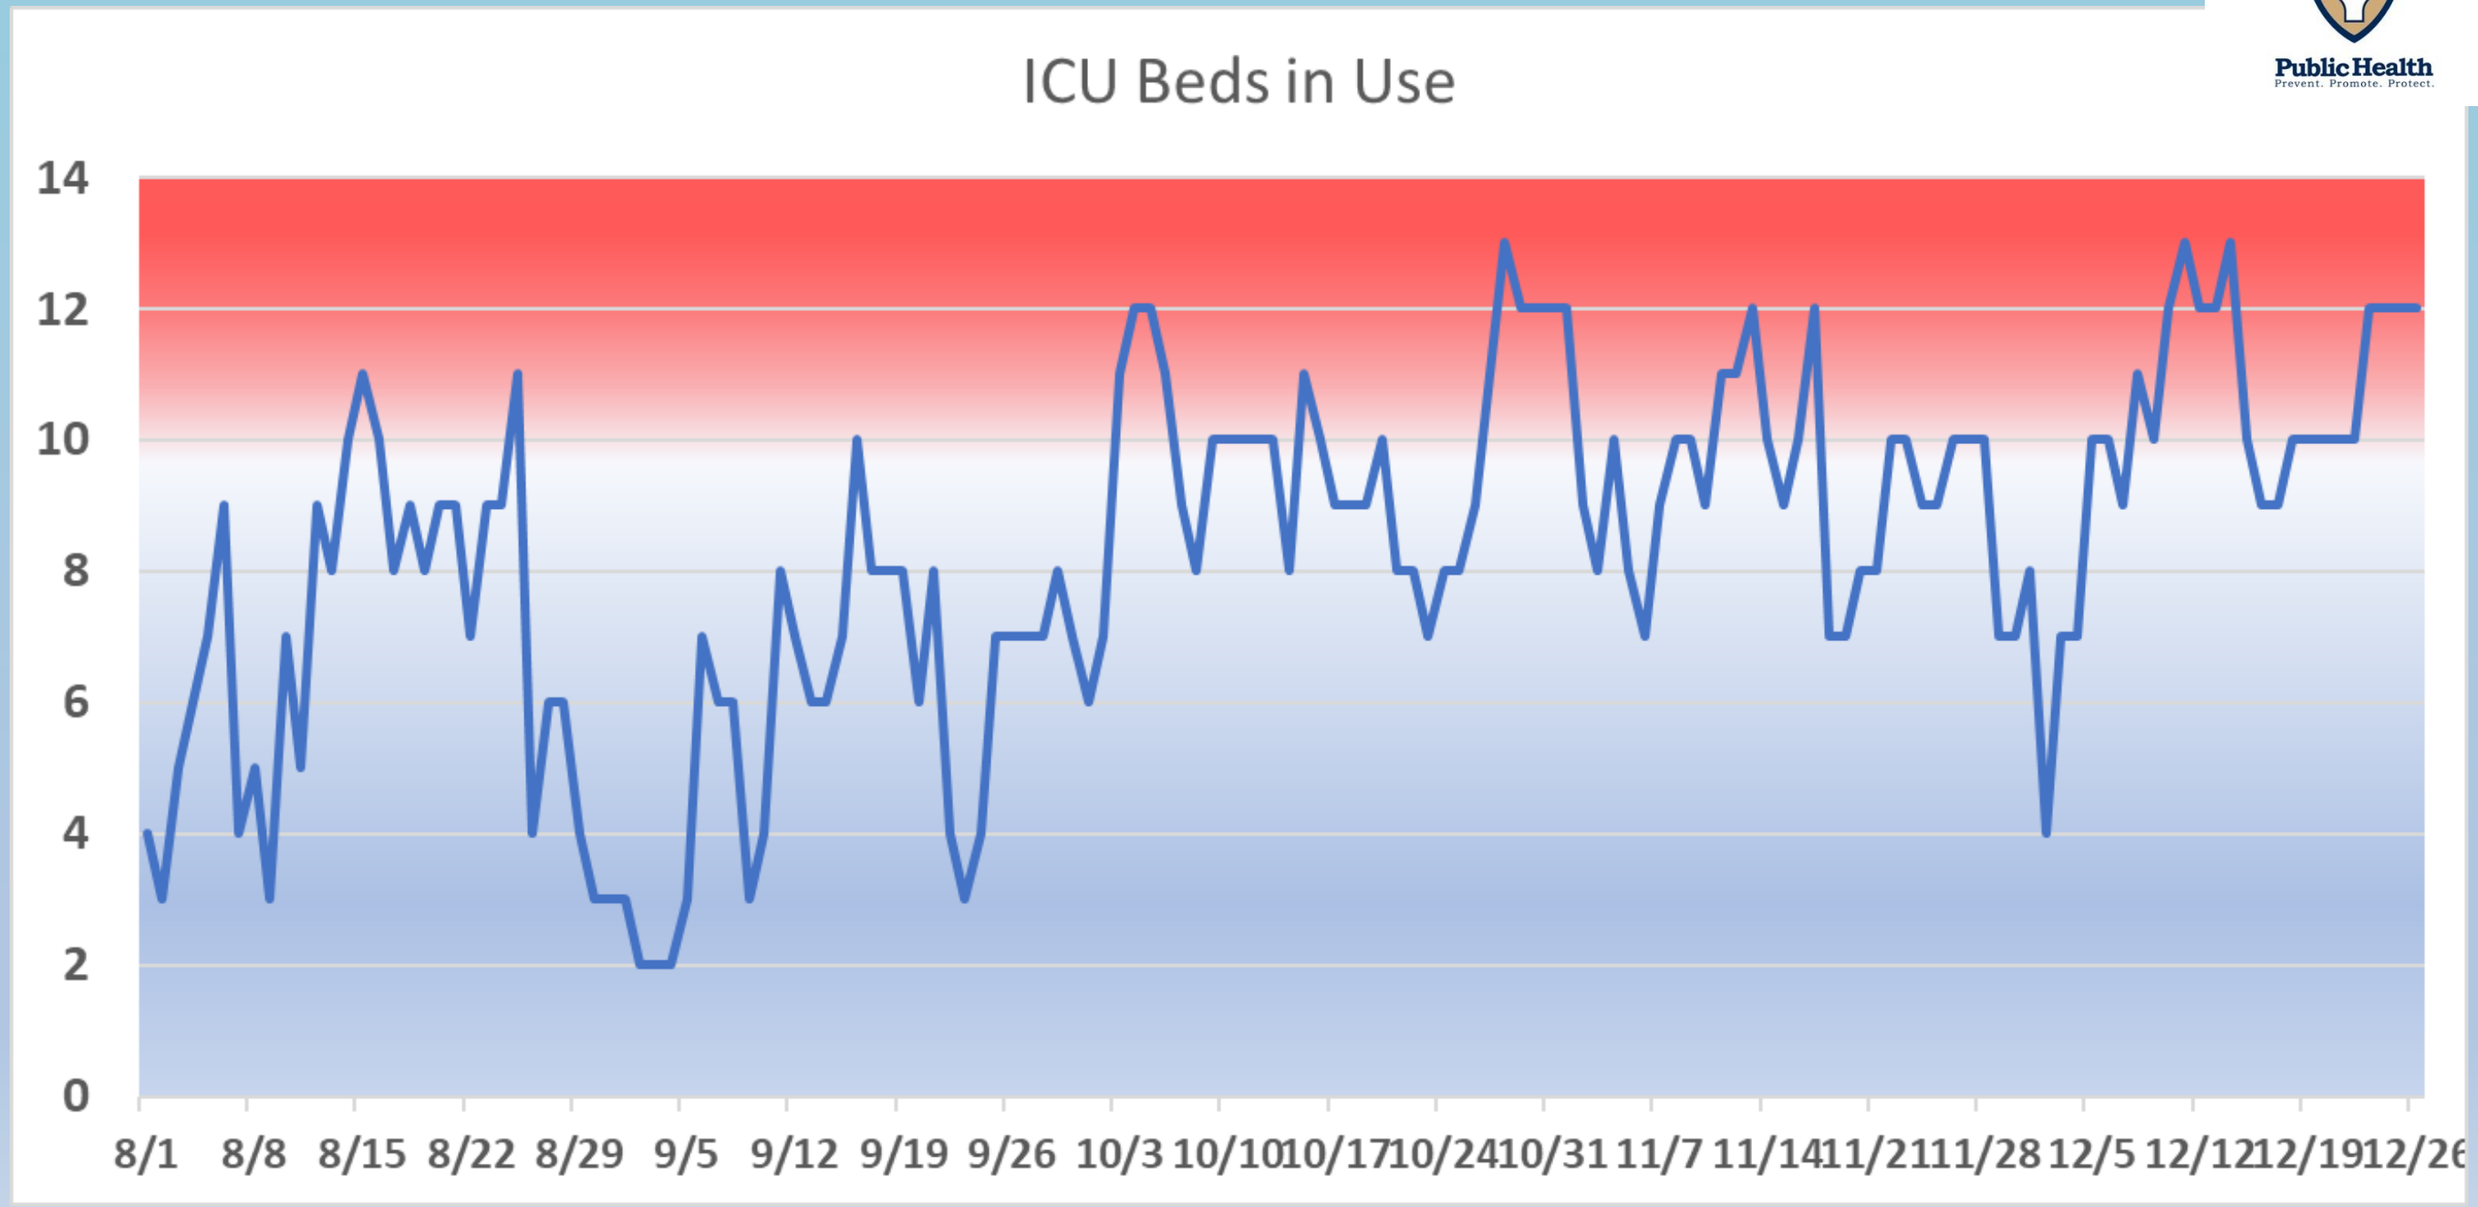
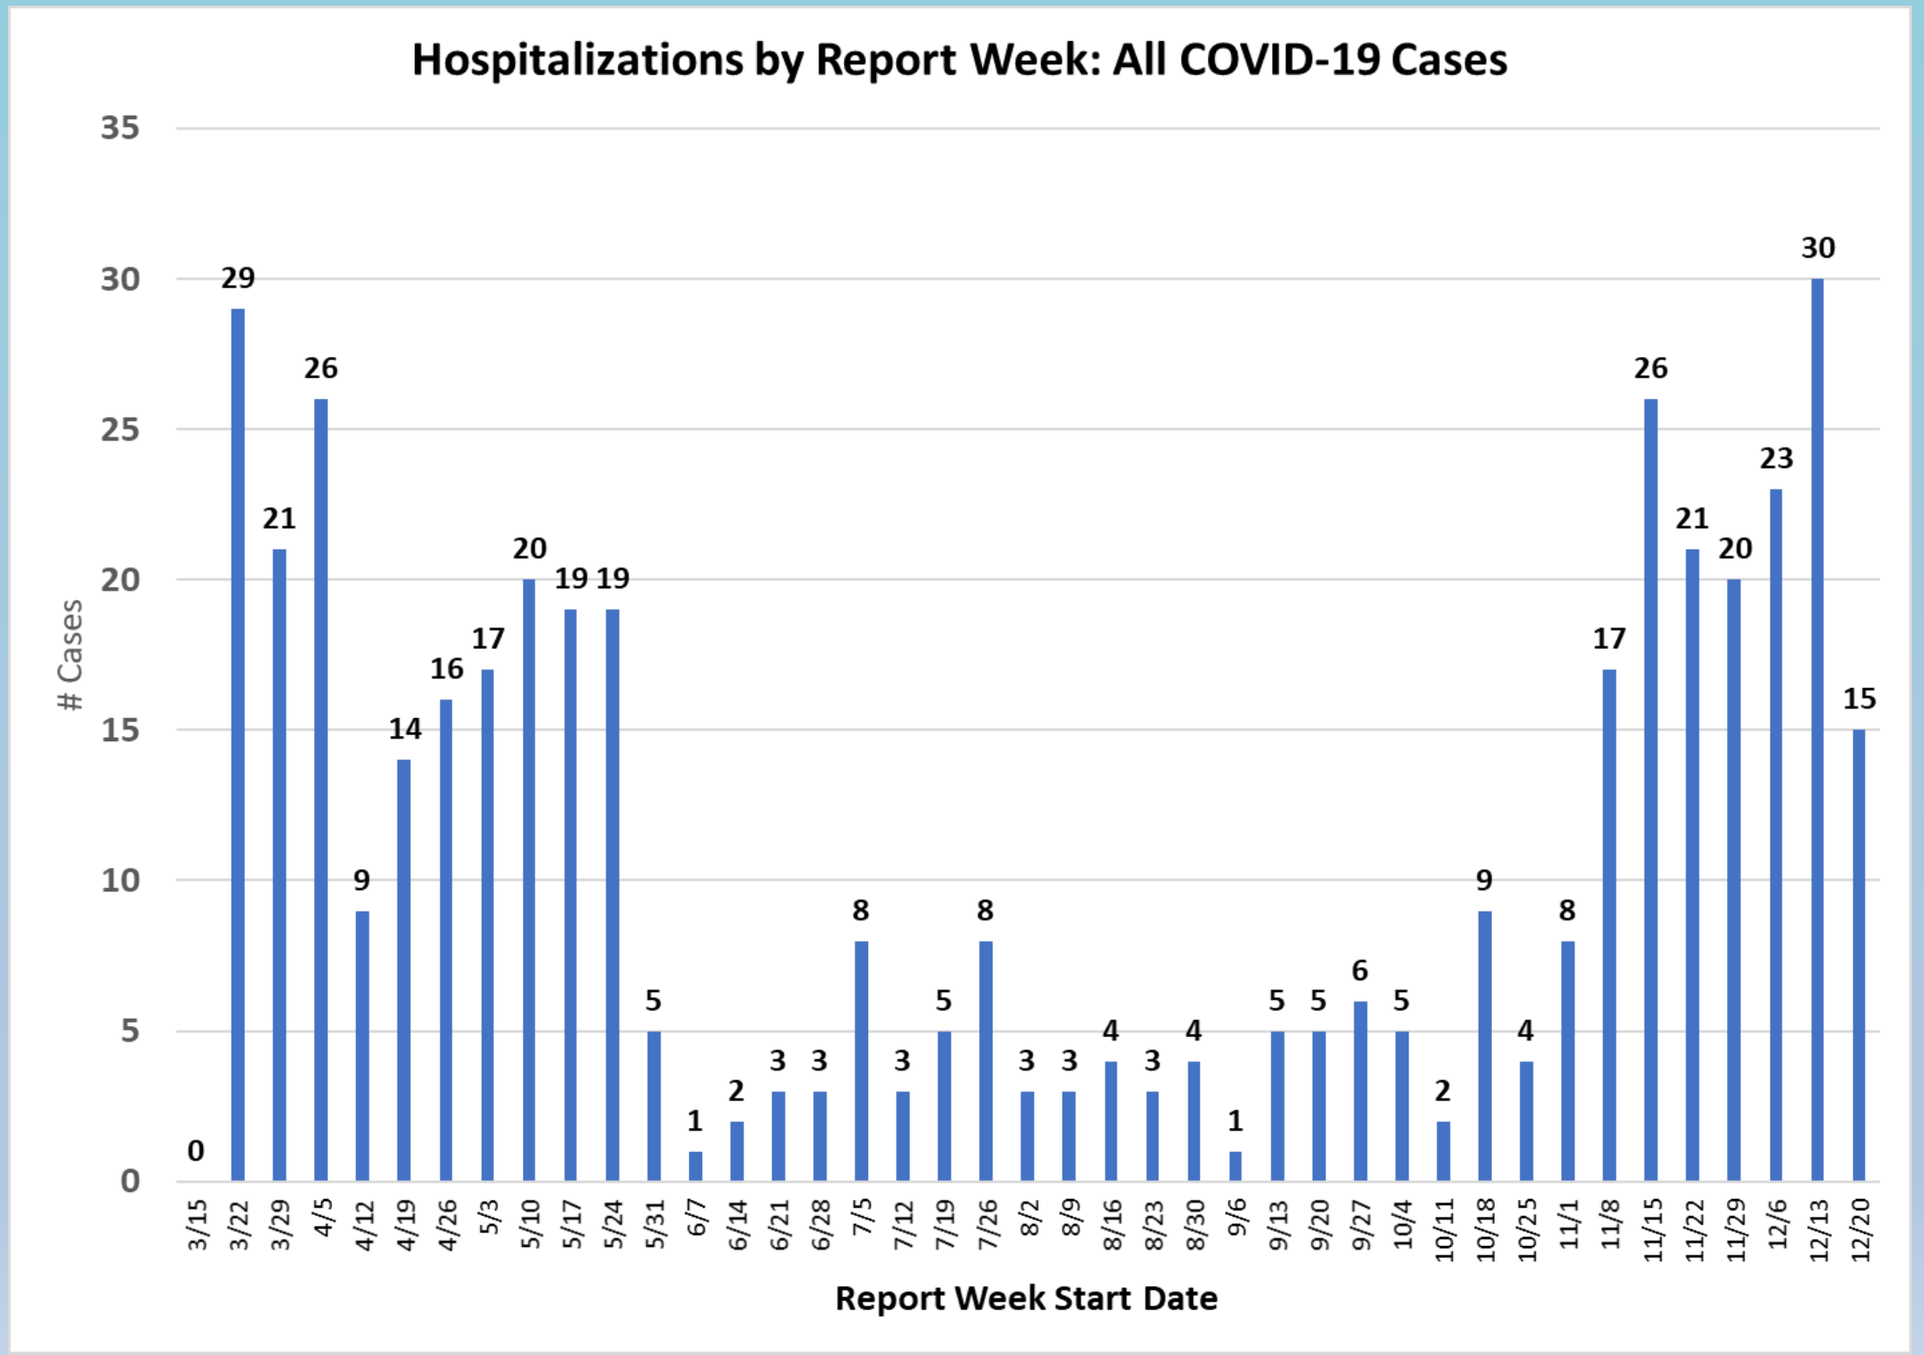
COVID Cases: Age Groups by Report Week



Carroll County Health Department

Public Health
Prevent. Promote. Protect.





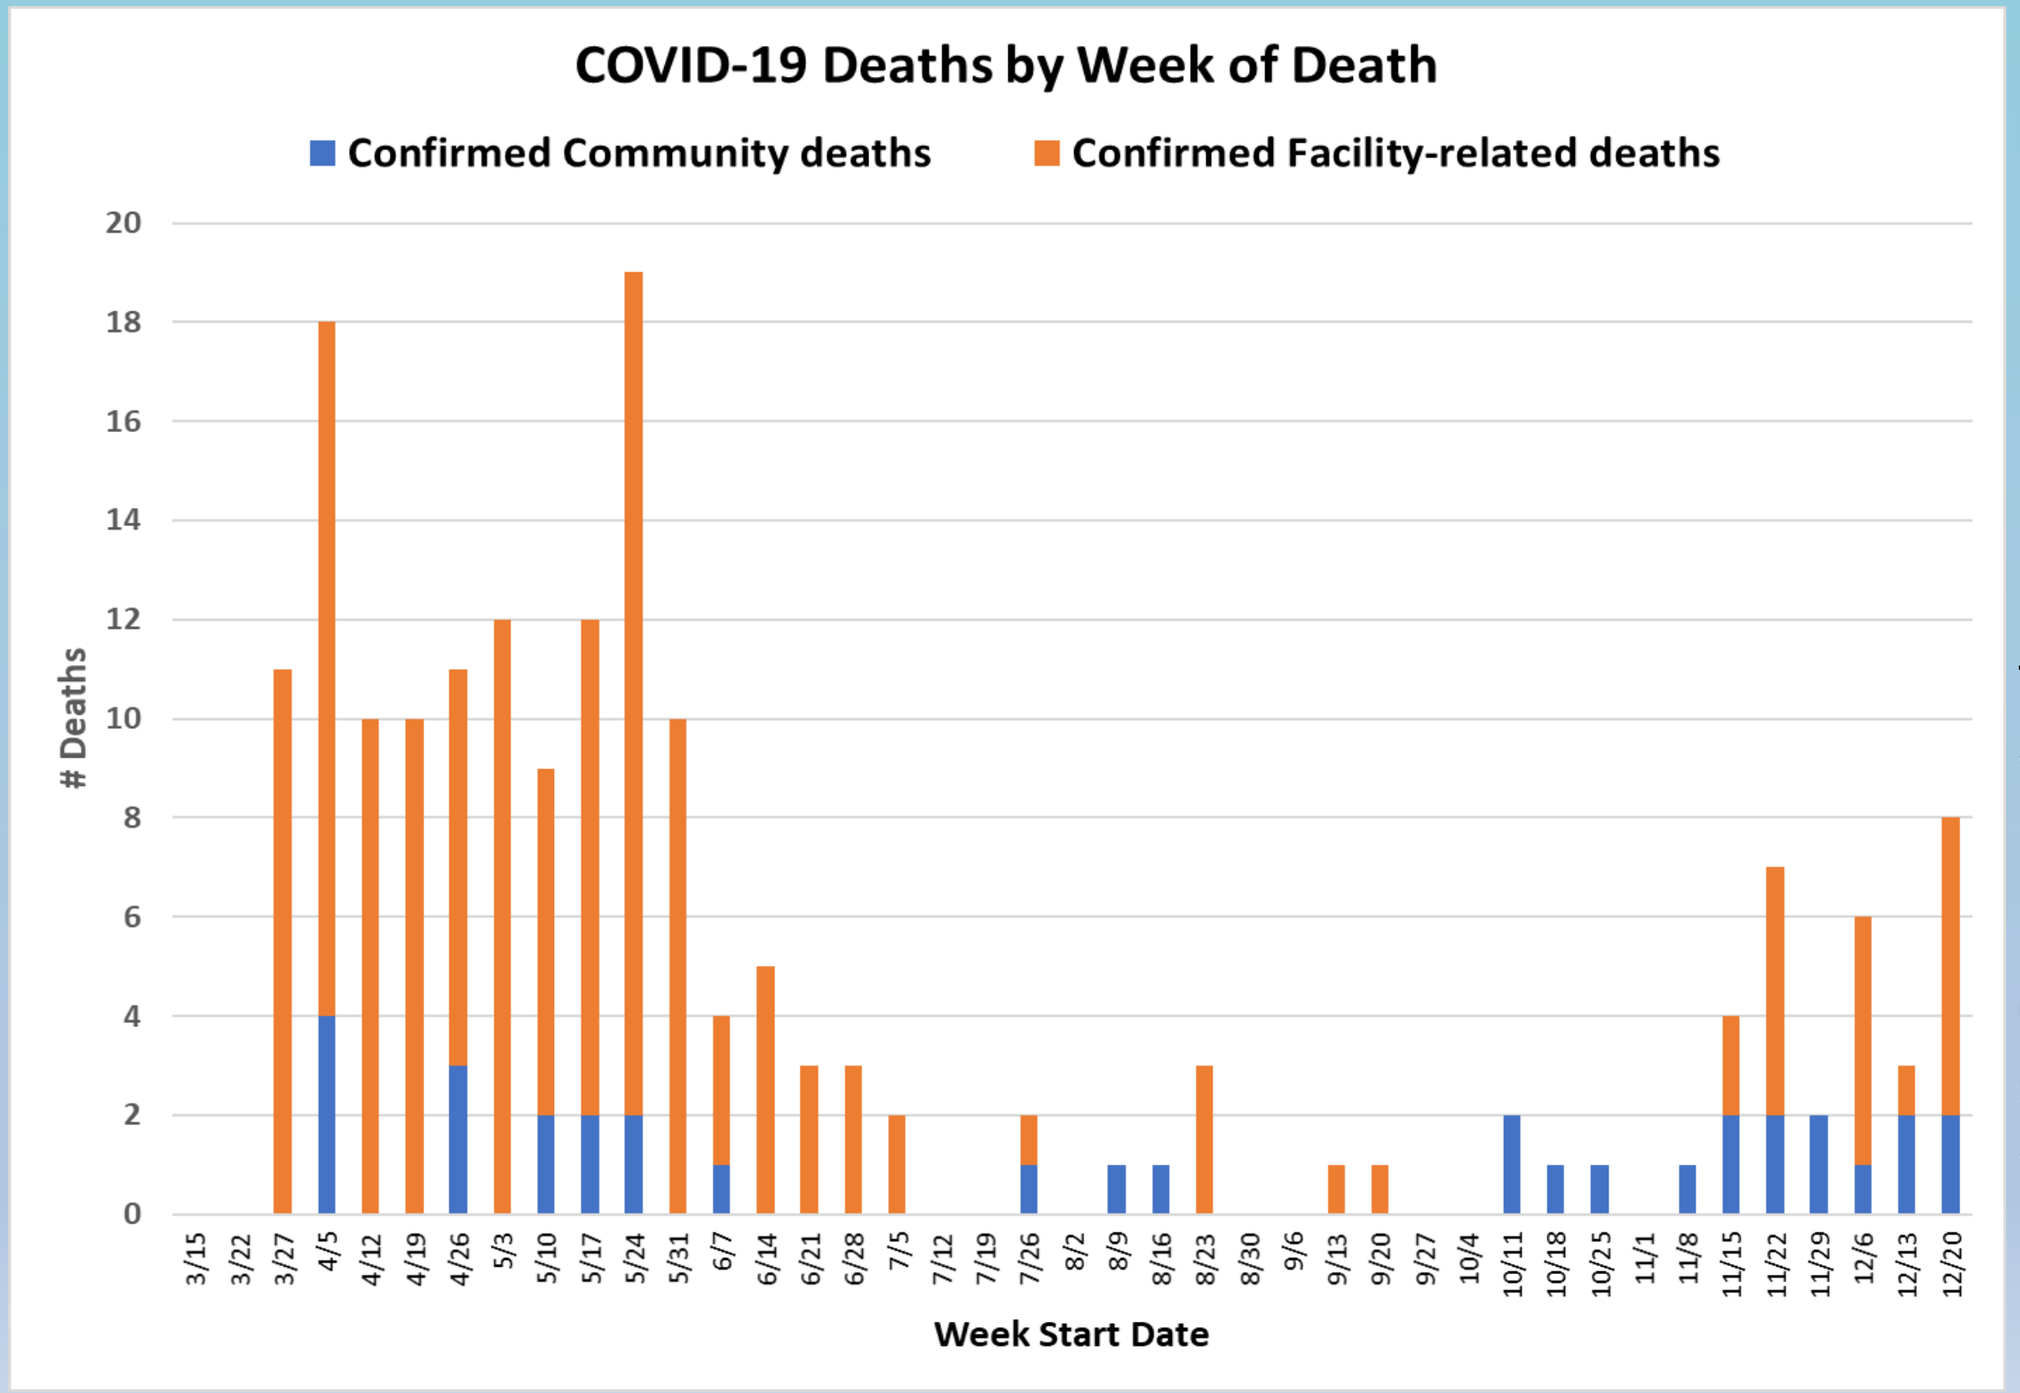
This graph shows hospitalizations by week for COVID positive individuals in Carroll County, in any hospital.

Only one hospitalization is noted per person.

There is a slight data lag so recent numbers may increase.

Carroll County Health Department

Public Health
Prevent. Promote. Protect.



Please note: This past week, we had the highest number of deaths we have seen in one week since May.

Moving Carroll Forward Together

Happy, healthy holidays!
